I need transportation to and from the dance. I can drive my car to overnight host's home.

I need a good night's sleep. I prefer a host where I can quickly get to sleep.

I am a night owl, even after dancing. I prefer a host where my late hours won't disturb others.

I have a sleeping bag and can crash anywhere. I really prefer some semblance of a bed.

I have enclosed a SASE; please inform me of my housing arrangements via US mail.

Please send me an e-mail confirmation of my housing arrangements.

Please note that *gratis* housing is provided on a first come-first served basis. We will try to find housing for all requests, but overnight accommodation availability may be limited.

Be kind to other overnights! If you do not need housing space after making request,
please inform us so the space can be assigned to another dancer. Thank you.
